

Children's Program Overview

Headquartered in McCall, Idaho, Shanti Yoga School's "Teaching Children" curriculum is covered in a workbook, five weekend workshops and practicum experiences. We strive to honor each individual's needs & strengths with a personalized & flexible structure while at the same time providing the highest quality education so that students can confidently and comfortably move into any teaching situation or attain deeper understanding of yoga for personal transformation.

Upon completion of the Children's Specialization program, you will be certificated as a Children's Yoga Instructor by Shanti Yoga School. Completion of Shanti Yoga School's Children's Specialization Program, along with a current Yoga Alliance 200 hour certification, will qualify you to register with the Yoga Alliance as a Children's Yoga Specialist (RCYT), or you may use the 95 hours of this training towards continuing education units with Yoga Alliance.

Shanti Yoga School is registered at both the 200 & 300 levels as well as the Children's (RCYT) & Prenatal Specialization (RPYT) with Yoga Alliance®, the national education and support system for yoga in the US and internationally. Yoga Alliance® supports the study and teaching of yoga, a system of knowledge that includes disciplines and practices originating in ancient India that integrate the physical, mental and spiritual aspects of human experience. They work in the public interest to ensure that there is a thorough understanding of the benefits of yoga, that the teachers of yoga value its history and traditions, and that the public can be confident of the quality and consistency of instruction. Yoga Alliance® maintains a national Yoga Teachers' Registry to promote teachers with training that meet stringent standards. Teachers registered are authorized to use the initials "RYT® (Registered Yoga Teacher) after their name.

Yoga Alliance also maintains a Registry of Yoga Schools that comply with their standards for yoga teacher training programs. Registered schools are authorized to use the initials RYS® (Registered Yoga School) after their names, and receive certificates of registration as well as registry marks. All graduates of an RYS are eligible to register as RYTs. The Registries are promoted to the general public, organizations that employ yoga teachers and organizations that review yoga teachers' credentials.
